Forecast for Monday 16 May 2022

Weather: Overcast through the morning with periods of rain, which occasionally turn heavy bringing the risk of thunderstorms. Rain clearing early to mid-afternoon with a mix of sharp, potentially thundery, showers and sunny spells following, which dwindle through the evening.

Chance of cloud-free hill tops above 800m: 10% becoming 90% from late afternoon.

Low cloud and visibility: Mostly moderate or poor at first in rain, very poor within cloud with bases extensive above 500m, becoming good or very good from late afternoon in the clearance.
